The image displays a wood-grain laminate pattern, specifically a light-colored wood grain with a subtle, wavy texture. The pattern is consistent across the entire surface, mimicking the appearance of natural wood. In the bottom right corner, there is a white rectangular box containing the product code and name.

PL-787
PLANO LAMINATE

The image displays a close-up, vertical view of a wood-grain laminate. The texture is characterized by a consistent, vertical grain pattern with subtle variations in tone, ranging from a light tan to a medium brown. The grain lines are slightly wavy and organic, mimicking the natural appearance of wood. The surface has a matte finish, and the lighting is even, highlighting the fine details of the wood grain.
