In the Home Improvement and Décor category, the company is present in the Kitchen and Bath fittings sections offering various products under the brands, Sleek and Ess Ess, respectively.

NILAYA

Nilaya wallcoverings from Asian Paints allow you to experience the world's finest surfaces - wallcoverings, decals, borders and paintables, and handpicked patterns from internationally renowned designers, from collaborations with Indian creative artists and from our own Signature Series created by Lab Nilaya designers. Nilaya wallcoverings are supported with care products from Asian Paints, an expert on Indian conditions, so installations are as perfect as the visions that transform your spaces.

BLUE BELL

Eclectic, exciting and energizing. From strong abstract statements to pretty floral explosions and finely illustrated artworks, this collection gives you the pick of the pattern. Get your walls to say it all with 60's style party patterns or a spring time bouquet of vivid blossoms or rainbows of colour drops. And transform your home.

Your Way | W135X611F75

Just a touch of texture, a loose weave pattern and a muted tone is enough to give a room a big dose of personality and quiet charm. It's a winner in family rooms or bedrooms when there is a lot going on decor wise.

NILAYA ECOSYSTEM

PATTERN SELECTION

Our dedicated institutional sales team can help pick the right pattern for each project. We have colour consultants who can help you navigate the world of pattern books and colour combinations. In case you cannot find the right product, we can also help match your sample from the extensive library available with our manufacturing partners. The Nilaya digital catalogue is an easy reference to shortlist patterns and co-ordinates.

SAMPLING & MOCK UPS

We are happy to provide you with sample swatches of shortlisted patterns that can be incorporated into client presentations or mood boards. We have a dedicated team of installers who can execute mock up rooms or spaces perfectly and on time.

PROJECT PLANNING & MATERIAL DELIVERY

For large projects a dedicated relationship officer will help you in material estimation, budgeting and delivery. Most of our product range is stocked locally and our nationwide distribution network can ensure that the material is delivered on site no matter where it is located.

INSTALLATION

Surface preparation: Preparing the surface well for installation can determine the life of the wallcovering. This is why we recommend the use of Asian Paints Sealer as a primer coat- it seals the surface well and prepares it for the adhesive coat.

Adhesive: The Nilaya wallcovering adhesive has been specially designed by us to perform well in Indian conditions. It is water based, ready to use and works with a variety of substrates. Moreover, it has anti-microbial properties and zero VOC, making it the perfect choice for all installations.

World class installation tools: Nilaya offers a range of specially chosen tools to ensure accurate measurement, clean and precise cutting and seamless application. This is available as a complete tool kit to all our trained Nilaya Applicators. In case the installation is being executed by your contractors, we recommend that they use the Nilaya tool kit for best results.

Trained installers: Our team of applicators have many years of experience in the industry and have been trained by US and UK based specialists. We can also train your installation team so that they are able to deliver the site on time and as per your expectations.
