

HERRINGBONE PARQUET PATTERN FLOOR

 **DECOVO™**
FLOORING WITH A PROMISE

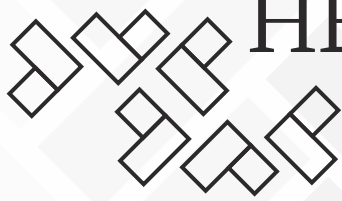

WOODEN

Herringbone is known to be one of the first parquet pattern developed in Europe. In 1539, Franco is the first, King of France, used this design on is Fontainebleau castle in Paris. For this job, he specially hired a craftsmen away from Italy. Herringbone parquet is a classic European pattern that is made from laminate and assembled on a right angle that creates the typical V shape. Our knowledge of designs, aesthetics in color and dimensions will help you create a laminate parquet floor that will become a much loved addition to the space that becomes its home.
